

## Q8 Marine Engine Oil 0-278-2

Heavy duty diesel engine oil

### Description

Q8 Marine Engine Oil 0-278-2 is high performance engine oil suitable for four stroke diesel engines operating under severe heavy duty conditions.

### Applications

Four stroke diesel engines operating under severe heavy duty conditions.

### Features

**Lower operational costs**

### Benefits

Extended oil life due to outstanding viscosity control in combination with excellent base number retention over long period of time

**Engine cleanliness**

Excellent clean engine technology that minimizes deposit and sludge build-up throughout the engine

**Enhanced technology**

Developed with outstanding quality base oils and excellent additive technology, giving excellent oxidation- and thermal stability over prolonged periods of time

### Specifications & Approvals
