

Q8 Mahler T 15W-40

Heavy duty gas engine oil

Description

Q8 Mahler T is high performance gas engine oil suitable for four stroke heavy duty diesel engines that are converted to operate on Liquefied or Compressed Natural Gas or LPG under severe conditions and having standard oil drain intervals.

Suitable for diesel engines converted to operate on Liquefied or Compressed Natural Gas or LPG. Applications include buses and other city transport or stationary engines.

Features Engine performance	Benefits Outstanding resistance against pre-ignition and knocking
Extended drain	Excellent alkalinity reserve maintains engine performance and durability while extending oil drain interval
Enhanced technology	Excellent lubricity properties providing low wear of engine components, significantly reducing maintenance costs
