

Q8 Formula Special G Long Life 5W-30

Synthetic ACEA C3/API SN passenger car engine oil

Description

Q8 Formula Special G Long Life 5W-30 is a superior performance passenger car engine oil. This product delivers superior protection against engine wear and sludge formation, extends drain intervals and is compatible with aftertreatment systems. It exceeds ACEA C3 and API SN requirements, and complies with the stringent requirements of all major OEM's.

Applications

Q8 Formula Special G Long Life 5W-30 is especially developed for Euro 5 & 6 engines requiring the GM Dexos2, BMW and Mercedes-Benz specifications. It is also backwards compatible with GM and Opel engines requiring GMLL-A-025 and GM-LL-B-025 specifications and suitable for passenger cars and commercial vehicles with normally aspirated or turbocharged gasoline, LPG or diesel Euro 5 and 6 engines requiring a mid SAPS engine oil.

Benefits

- Superior engine cleanliness increasing engine durability.
- Superior protection for exhaust catalyst and diesel particulate filter.
- Fuel economy improvement of 1% or more
- Offers moderate oil drain interval extention

Specifications, recommendations and approvals
