

## **Q8 Mahler C 15W-40**

High performance gas engine oil

#### **Description**

Q8 Mahler C is high performance gas engine oil for engines requiring Cummins CES 20074 specification. The product is suitable for four stroke gas engines operating under normal or heavy duty conditions.

#### **Applications**

Four stroke gas engines operating under normal or heavy duty conditions.

**Features Benefits** 

Enhanced technology Excellent low temperature and fluidity performance, providing outstanding protection at low temperatures

and cold-start conditions

Extended drain Excellent alkalinity reserve maintains engine performance and durability while extending oil drain interval

Engine performance Outstanding resistance against pre-ignition and knocking
