

Q8 Marine Engine Oil O-278-2

Heavy duty diesel engine oil

Description

Q8 Marine Engine Oil O-278-2 is high performance engine oil suitable for four stroke diesel engines operating under severe heavy duty conditions.

Applications

Four stroke diesel engines operating under severe heavy duty conditions.

Features	Benefits
Lower operational costs	Extended oil life due to outstanding viscosity control in combination with excellent base number retention over long period of time
Engine cleanliness	Excellent clean engine technology that minimizes deposit and sludge build-up throughout the engine
Enhanced technology	Developed with outstanding quality base oils and excellent additive technology, giving excellent oxidation- and thermal stability over prolonged periods of time

Specifications & Approvals
